Page Menu Maker

The screenshot shows a social media feed interface. On the left is a sidebar with a user profile 'Mohamed ZEMOUCHI's Feeds', navigation options like 'Today', 'Follow Sources', 'Create AI Feed', 'Search', 'Go To...', 'Read Later', and 'Recently Read'. Below these are 'Feeds' and 'Boards' sections. The 'Feeds' section lists various sources, with 'Menu Maker' selected and showing 145 items. The main content area displays the 'Menu Maker' feed. It features a header with the title 'Menu Maker' and an 'Upgrade' button. Below the header, there are three article cards: 1. 'Dave's Hot Chicken diners don't want to talk to robots — so here's how it's innovating' by Restaurant Dive - Latest News / 1h. 2. 'How McDonald's is serving up culture as part of its new strategic plan' by Restaurant Dive - Latest News / 4h. 3. 'Yum Brands COO to retire after 25 years' by Restaurant Dive - Latest News / 9h. To the right of the main feed, there is a 'You might also like' section with recommendations from 'Foodservice And Hospitality Magazine', 'Restaurant Magazine', and 'Forbes - Food & Drink'. At the bottom of the main feed, a card for 'The Many Faces of OAuth 2.0 Token Exchange' by Auth0 Blog / 19h is visible under the 'Yesterday' heading.

Page d'une source sélectionnée (ici JavaScript)

The screenshot shows the same social media feed interface, but with 'JavaScript Weekly' selected in the 'Feeds' sidebar. The main content area displays the 'JavaScript Weekly' feed. It features a header with the title 'JavaScript Weekly' and a 'Upgrade' button. Below the header, there are three article cards: 1. 'How to vet an npm package in 2026' by #788 — June 2, 2026 Read on the Web JavaScript Weekly. 2. 'npm and pnpm introduce staged publishing' by #787 — May 26, 2026 Read on the Web JavaScript Weekly JS. 3. 'Dr. Axel's blog is gone (for now)' by #786 — May 19, 2026 Read on the Web JavaScript Weekly RFC: It's Time for npm to Make Install Scripts Opt-In — npm is the only major package manager that runs dependency install scripts (e.g....). To the right of the main feed, there is a 'You might also like' section with recommendations from 'Echo JS', 'Node Weekly', and 'RisingStack Engineering'. At the bottom of the main feed, a card for 'The Many Faces of OAuth 2.0 Token Exchange' by Auth0 Blog / 19h is visible under the 'Yesterday' heading.
